Auburn, AL 36830

I am looking for a career in which I can show that I am a demonstrated achiever with exceptional ability in written and oral skills. I have a strong education and service background that aid me in being skilled at learning new concepts quickly, working well under pressure, and communicating ideas clearly and effectively. The job I am looking for will help me display my passion for sports and helping others.

Education

2004-07

- Completed six semesters at Auburn University
- Received early acceptance to the Public Relations program at Auburn University
- Dean's List at Auburn University
